

## Introducing the Government Law Admission Program (GLAP)

The Arizona Supreme Court is establishing a new admission pathway for experienced attorneys to bring their expertise to government law offices across the state! The **Government Law Admission Program (GLAP)** is designed to **expand access to justice** by increasing the number of lawyers serving in public sector roles.

### Why GLAP?

Arizona is facing a shortage of government lawyers, and we are taking action! GLAP provides a potential pathway for attorneys from **non-reciprocal jurisdictions** to practice law in Arizona. If you are looking to make a meaningful impact in government law, this is your opportunity!

### Mark Your Calendar!

GLAP officially launches on **April 14, 2025**, when applications will become available.

### Are You Eligible?

To qualify for a GLAP license, applicants must:

- ✓ Be admitted by bar examination in a U.S. state or territory that does not offer Arizona lawyers admission on motion.
- ✓ Hold a **Juris Doctor** from an **ABA-accredited law school**.
- ✓ Have a **passing MPRE score**.
- ✓ Be in **good standing** in all jurisdictions where admitted.
- ✓ Not currently subject to any **disciplinary actions** and none pending.
- ✓ Meet **Arizona's character and fitness requirements**.
- ✓ Complete the **Arizona law course** as required by Supreme Court Rule 34(j).
- ✓ Provide an **affidavit** from an Arizona government law office confirming employment upon licensure.

### Your Future in Arizona Law

GLAP licensees will work **exclusively** in government law offices for five years. After completing the program and meeting all requirements, participants will gain **regular admission to practice law in Arizona** under Rule 34(f).
